

2021 CRTT MEMBERSHIP

Catonsville Rails to Trails is an all-volunteer grassroots organization working to promote pedestrian & bicycling friendly neighborhoods. We advocate for designated non-motorized paths, & work to convert abandoned streetcar & railroad lines into bike/hike right-of-ways. Our past accomplishments include the #8 Streetcar Path. Our current efforts include restoring the Catonsville Short Line Trail. Please consider joining our efforts by becoming a member and offering your financial and volunteer support!
